

New Destination for SEN Schools and SEN Groups

The Thomas Centre opened Easter 2007. Since then many families and groups have welcomed this new resource.

"The Thomas Centre has been a godsend. You have worked a miracle."

We are now pleased to extend these facilities to SEN Schools and other SEN Groups. In addition to outstanding 4 star accommodation the Thomas Centre also offers:

- A large community room providing a meeting place or classroom.
- 25 acres of tranquil countryside and woodland walks.
- Private use of large indoor heated swimming pool.
- Play barn with skittle alley, pool table, football table and table tennis table.
- Ground level trampoline.
- Outdoor play area for young children.
- Three houses and three bungalows; 26 beds in total.
- The three bungalows built to wheel chair access (M2 disabled regulations).

"What a wonderful, magical place"

Located on the edge of the Wolds in Lincolnshire we are ideally placed for trips to local tourist and educational attractions, such as the castle at Lincoln, Fishing Heritage Centre Grimsby, or in the autumn you can see seals at Donna Nook. We are just a short drive to sandy beaches and theme parks.

The Thomas Centre

"A Unique destination for SEN schools and Groups with communication impaired children and adults"

The Thomas Centre is a contemporary barn development, which provides luxury self-catering holiday accommodation for communication impaired children and adults.

Set in private grounds in Lincolnshire between the Wolds and the coast, the 4* plus, stunning accommodation includes bungalows built to M2 disabled regulations.

Facilities on site include a private indoor heated swimming pool, woodland, a community room, outdoor playing fields and indoor play barn with pool table, skittle alley and more.

The Thomas Centre is also available for residential field trips and has conference facilities for business users.

For booking enquiries please contact Jan Crean on 01507 363463
